Hunter-Odom Funeral Service Response to COVID-19

Hunter-Odom Funeral Service top priority is to provide quality services to families, including the health and safety of our staff and families.

On March 14, 2020, NC Governor Roy Cooper signed an executive order prohibiting mass gathering of more than 100 people for 30 days due to COVID-19. Mass gatherings has been defined as “any event or convening that brings together more than 100 person in a single space at the same time. **(Executive Order No. 117. Sec 1A. 2020)**. Violation of this order may be subject to prosecution and a Class 2 misdemeanor. We are aware of the challenges the order presents to those preparing to honor the lives of their loved ones and we are available to address your questions and concerns.

Hunter-Odom Funeral Service has implemented the following safety precautions to prevent the unintentional spread of germs:

- Cleaning hands with antibacterial soap and warm water for 20 seconds
- Practicing social distancing
- Requiring anyone exhibiting symptoms of illness to stay at home
- Thoroughly cleaning hard surface and high traffic area
- Limiting physical contact such as hugging, shaking hands, kissing on cheeks and etc.

We encourage you to join us in providing quality services to families by implementing these same procedures.
